ABOUT

A motivated and tech-savvy student with a strong interest in Project Management, software development, and programming. Passionate about solving real-world problems through technology, I am eager to apply my skills in collaborative projects, internships, or freelance opportunities while continuing to develop both technical and leadership capabilities.

EDUCATION

Bachelor Science in Information Technology   2022-present
STI West Negros University

Accountancy, Business, and Management   2020-2022
Maranatha Christian College
Salutatorian

PROJECTS

Car Park Management System   NOV. - DEC. 2024

Led the development of a project focused on developing a parking management system for vehicle tracking and organization. Developed skills in team coordination, time management, and software lifecycle planning.

CIPHER   FEB 2025 - PRESENT

Developed a real-time chat application enabling users to send instant messages, create group chats, and share multimedia content.
